HUMAN TRAFFICKING AND THE SEX TRADE INDUSTRY

RACHEL DURCHSLAG- FOUNDER AND DIRECTOR
CHICAGO ALLIANCE AGAINST SEXUAL EXPLOITATION
(www.caase.org)

"Every day, approximately 16 thousand to 24 thousand women and girls are impacted by the sex trade. The majority of these individuals enter as youth, with 35% entering before the age of fifteen."

These facts and more will be addressed by Rachel Durchslag, founder and director of the Chicago Alliance Against Sexual Exploitation (CAASE). She will speak about the mission of CAASE, why she founded the group, and CAASE's innovative approach to ending sexual exploitation with its 'End Demand' multi-year Illinois campaign. She will also address the problem of international and domestic human trafficking, and how people can get involved to help solve the problem.
